Group Number:_____

Date:_____

Installation and Repair of Telecommunications Equipment

Module 21

Telephone network systems installation

The purpose of the lab is to create a ring group for the company in the PBX. A ring group is when a group of person phone ring at the same time.

- 1- Enter a group description
- 2- Enter extension quick pick, choose the extension for the group so the extensions will appear in extension list.
- 3- Go to destination if no answer, choose voicemail and then choose an extension and choose any extension.
- 4- Click on save and then apply config
