Installation and Repair of Telecommunications Equipment

Name of student:_____

Group Number:_____

Date:_____

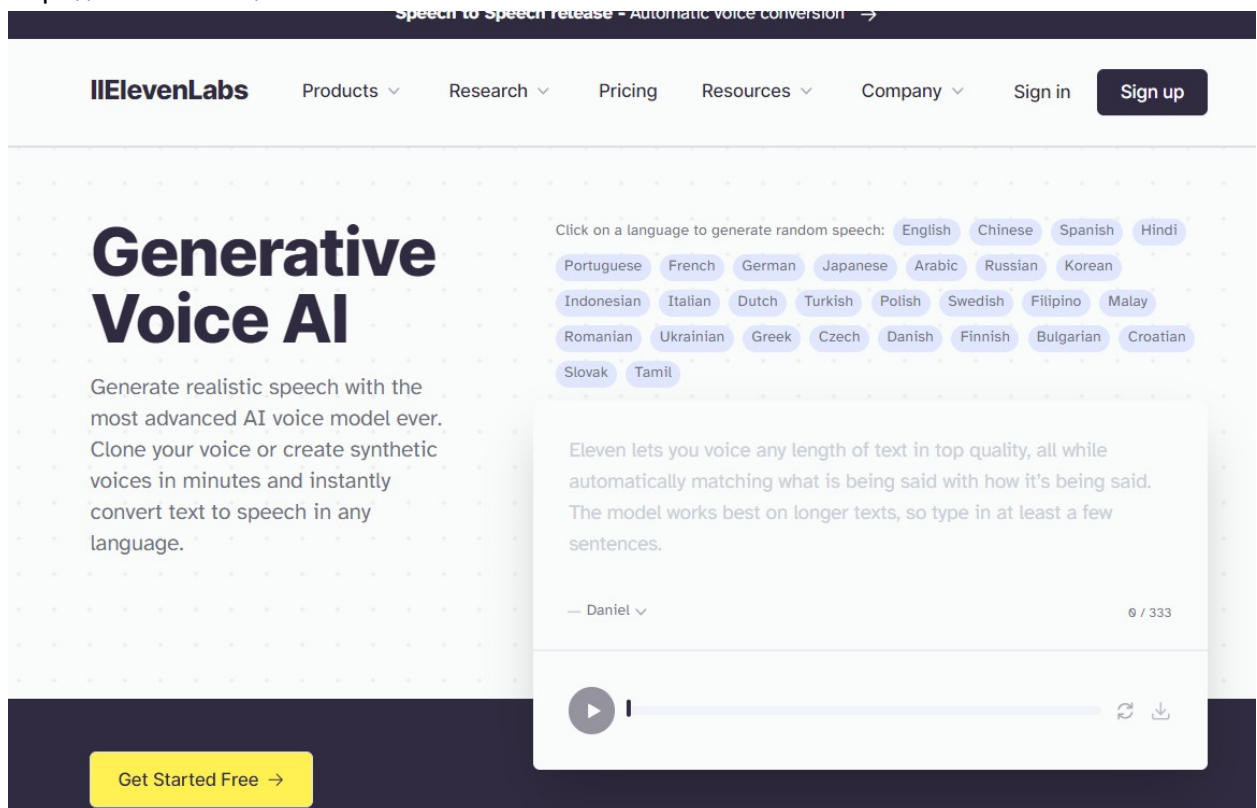

Installation and Repair of Telecommunications Equipment

Module 21

Telephone network systems installation

The purpose of the lab is to create a message in the wave format and to upload it on the message in PBX.

- 1- <https://elevenlabs.io/>

- 2- Type your **welcome message** in the rectangle box. Once you complete your message click on download.
- 3- Save the audio file in a location that you will be able to upload
